LOOKING AT FINCH FINE®
AND DOMTAR'S COUGAR®
AND YET, NOT SO SIMILAR

finch fine® offers:

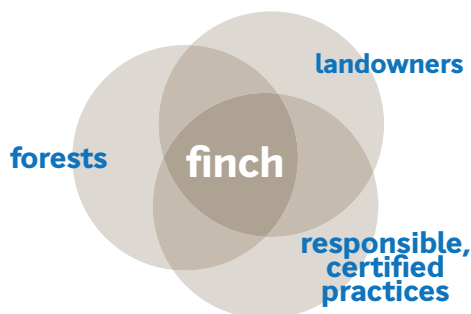

unparalleled customer service and quick turns

Quick responses from Finch scheduling coordinators and representatives working side-by-side with the manufacturing teams.

Custom make orders with short lead times, and low minimums of 5,000 lbs. for special sheet sizes—even less for web rolls.

feet-in-the-forestSM commitment to sustainable forestry

Finch foresters actively teach and practice sustainable forest management for public and private landowners including The Nature Conservancy. Read the "Finch in the Forest" blog featuring practical, environmental talking points on finchpaper.com.

Antique (vellum) finish stocked in text—AND COVER!

	100		

device-specific digital papers

Finch Fine has two matching lines for optimizing the performance of digital printing.

Finch Fine iD is three-star rated* (best performing) and photo certified for HP® Indigo® printing.

Finch Fine Color Copy optimizes toner adhesion, color fidelity and uptime on dry-toner presses such as the Xerox® iGen, Kodak® Nexpress, and color copiers.
