

finch fine[®] digital

The Best Value in Paper

Finch Fine Digital makes everything brighter, with excellent color reproduction and more print contrast. Specified for dry-toner digital color production presses, this super-smooth paper has mottle-free toner adhesion for increased productivity and profitability. Setting a new standard, Finch Fine Digital is FSC-certified and made with 10% post-consumer recycled fiber.

Finch uncoated digital papers are bright, smooth and run clean. Our high-performance papers feature FSC-certified and recycled choices with a crisp, substantial feel. For a house sheet that is a natural fit for you and your customer, choose Finch.
