## A Trusted Performer for High-Volume Printing

Finch Opaque Digital is a favorite for running light color at top speeds on all types of dry-toner digital equipment. This stiff and sturdy sheet is optimized for production environments that require colors to pop with little show through.

Finch uncoated digital papers are bright, smooth and run clean. Our high-performance papers feature FSC-certified and recycled choices with a crisp, substantial feel. For a house sheet that is a natural fit for you and your customers, choose Finch.
