

finch fine

The best value in paper.

Finch Fine text and cover has long been a fine choice for discriminating printers and designers who also happen to be on a budget. Now, Finch Fine delivers quality, value, dependability and more environmental benefits — 10% post-consumer recycled fiber and both the Forest Stewardship Council (FSC) and Sustainable Forestry Initiative® (SFI) responsible forestry certifications. With Finch Fine's superior printing surface, you get vivid colors, excellent formation and outstanding print detail on both offset and digital presses. It's impressive. It's versatile. It's environmentally right. It's Fine.
