

# finch opaque

Trusted performance delivered on-time, every time.

North American printers rely on Finch Opaque for quality, availability and versatility that's second-to-none.

Finch Opaque is stocked in three shades, two finishes, a bevy of basis weights and more than 100 sizes, for offset or digital jobs. Opacity is outstanding. Brightness is a high 96. And with our special Making Order Program, we'll create custom-made web and sheetfed sizes and weights for your exact needs. It's an opaque experience that's out of the ordinary. It's Finch Opaque.
