

finch fine color copy

The Best Value for Digital Printing

Finch Fine Color Copy* is one of the brightest and smoothest papers on the market for full-color printing and copying. This high-quality sheet is perfect for both office and digital production printing and features FSC certification and 10% post-consumer recycled fiber to meet today's corporate requirements.

Finch uncoated digital papers are super smooth, very green and affordable. Our high-performance papers feature FSC-certified and recycled choices with a crisp, substantial feel. For a house sheet that is a natural fit for you and your customer, choose Finch.
